 BELLEVUE PRESBYTERIAN CHURCH

The AGM Shopping Experience

The Bellevue Presbyterian Church Alternative Gift Market is a special way to raise awareness and funds for many ministries supported through the BelPres Mission budget. These gifts allow ministries to help in ways beyond their regular operating and support budgets in keeping with the BelPres vision of impacting communities.

When the market is over, funds are sent to the ministries to be used toward the specified gift. One hundred percent of your gift dollars go to the items purchased. Administrative costs are budgeted by BelPres and shoppers have the option to offset expenses for any additional fees.

Your generosity helps spread Christmas joy in powerful ways.

BelPres Administrative Costs - \$5

BelPres incurs costs such as credit card online hosting and printing fees, which are paid for out of the operating budget. You can help defray these expenses so BelPres can focus its budget elsewhere.

Corporate Matching

Corporate matching is a great way to make your gift go further. It brings in several thousand dollars each year to AGM, so remember to submit your corporate matching form. Items marked with an asterisk (*) on the order form may be ineligible for matching by companies that only match secular gifts.

Why An Alternative Gift Market?

Christmas is the time we celebrate the birth of Jesus. It is also a time of giving. As Our Lord gave us the gift of His Son, we also have the opportunity during the season to give to others too.

Each year our BelPres ministries and missionaries tell us about the amazing things God does in the communities they serve. We also hear about the need to do more. So many people in cities, towns, and villages around the world hurt and want for basic necessities. Yes, they need to hear about the hope and love of Jesus but first they need food, clothing, shelter, education, and medical assistance. Your gifts through the Alternative Gift Market provide the daily necessities that supplement the work of our ministries and missionaries.

You can purchase one of these gifts, share it with someone you know, and make a difference in another person's life. That's a pretty cool way to commemorate the birth of Our Savior, Jesus Christ!

Can you think of a more meaningful way to celebrate Christmas than to give to others less fortunate?

Gift Cards

A gift card comes with each item purchased. An AGM volunteer in the church lobby can provide you one. Just bring in your receipt from your online purchase and you will receive a gift card to share.
